

Conflict Mineral Declaration Statement

We, Applied Power, is committed to sourcing responsibly and consider mining activities that create conflict as unacceptable. As we do not purchase any minerals directly, we request our suppliers to provide declaration statement of not using conflict mineral listed as below:

- Tantalum (Ta)
- Tin (Sn)
- Gold (Au)
- Tungsten (W)

At this time, we do not know of any of these metals originating from the Democratic Republic of the Congo or an adjoining country.
